1. Background

Income Tax Department (ITD) intends to leverage technology and data analytics for effective utilization of demonetisation data i.e. transactions related to cash deposits during 9th Nov to 30th Dec 2016.

2. Overview of online verification

The online verification has been enabled on e-filing portal (for taxpayers) which will be synchronised with the internal verification portal of ITD. The salient features of online verification mechanism are:

- i. Data analytics has been used for comparison of demonetisation data with information in ITD databases to identify taxpayers wherein the cash transactions do not appear to be in line with the taxpayer's profile.
- ii. ITD has enabled online verification of these transactions to reduce compliance cost for the taxpayers while optimising its resources. The information in respect of these cases has been made available in the e filing window of the PAN holder (after log in) at the portal <https://incometaxindiaefiling.gov.in>. The PAN holder can view the information using the link "Cash Transactions 2016" under "Compliance" section of the portal. The taxpayer will be able to submit online explanation without any need to visit Income Tax office.
- iii. Email and SMS will also be sent to the taxpayers for submitting online response on the e-filing portal. Taxpayers who are not yet registered on the e-filing portal (at <https://incometaxindiaefiling.gov.in>) should register by clicking on the 'Register Yourself' link. Registered taxpayers should verify and update their email address and mobile number on the e-filing portal to receive electronic communication.
- iv. This user guide and quick reference guide is available on the portal to assist the taxpayer in submitting online response. In case of any difficulty in submitting on line response, help desk at 1800 4250 0025 may be contacted.
- v. Data analytics will be used to select cases for verification, based on approved risk criteria. If the case is selected for verification, request for additional information and its response will also be communicated electronically. The information on the online portal will be dynamic getting updated on receipt of new information, response and data analytics.
- vi. The response of taxpayer will be assessed against available information. In case explanation of source of cash is found justified, the verification will be closed without any need to visit Income Tax Office. The verification will also be closed if the cash deposit is declared under Pradhan Mantri Garib Kalyan Yojna (PMGKY).

3. Communication with the taxpayers

Email and SMS will be sent to the taxpayer informing that information has been received in the case and response may be submitted on the e-filing portal. In cases where no response is received within reasonable time, other proceedings and enforcement actions will be considered.

3.1 Registration of taxpayer in e-Filing portal

Taxpayers who are not yet registered on the e-filing portal (at <https://incometaxindiaefiling.gov.in>) should register by clicking on the 'Register Yourself' link.

Step 1: Go to the e-Filing portal of the Income Tax Department (<https://incometaxindiaefiling.gov.in>)

Step 2: Click on the "Register yourself" Button available on the home page. The registration page will open.

Step 3: Select the User Type (such as Individual, Firm etc) and Click on "Continue" button.

Step 4: Enter Basic Details and click on "Continue" button. After verification, the Registration Form will open.

Step 5: Enter the details in the Registration Form and click on "Submit" button. On successful validation, Taxpayer will get the message "Registration successful".

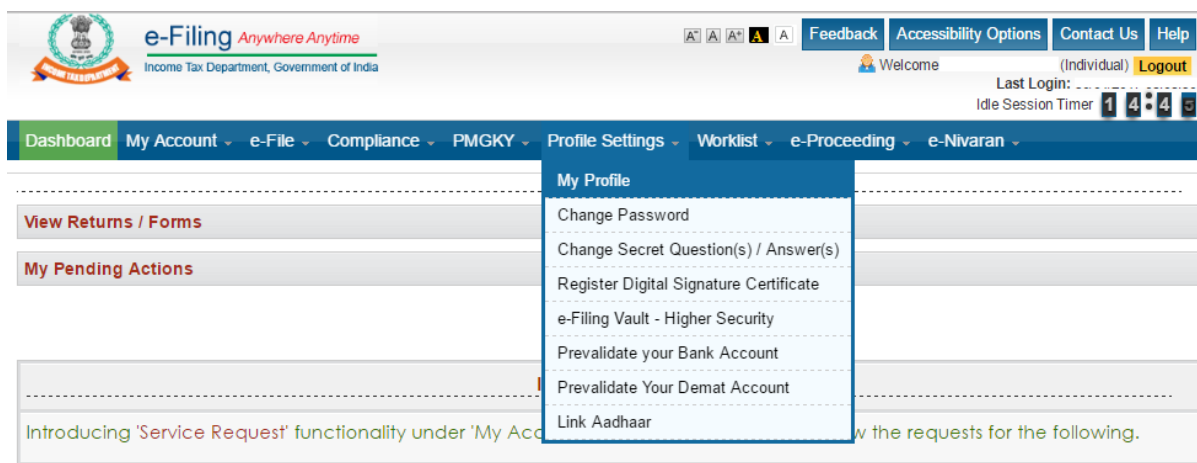

Step 6: A confirmation e-mail will be sent to the Email provided with an Activation link. An SMS along with OTP (One time Password) will also be sent to the Mobile number provided. In order to activate the account, the taxpayer should click on the Activation link and enter the OTP received by SMS on Mobile. On success, the account is activated.

3.2 Updating contact details in e-Filing portal

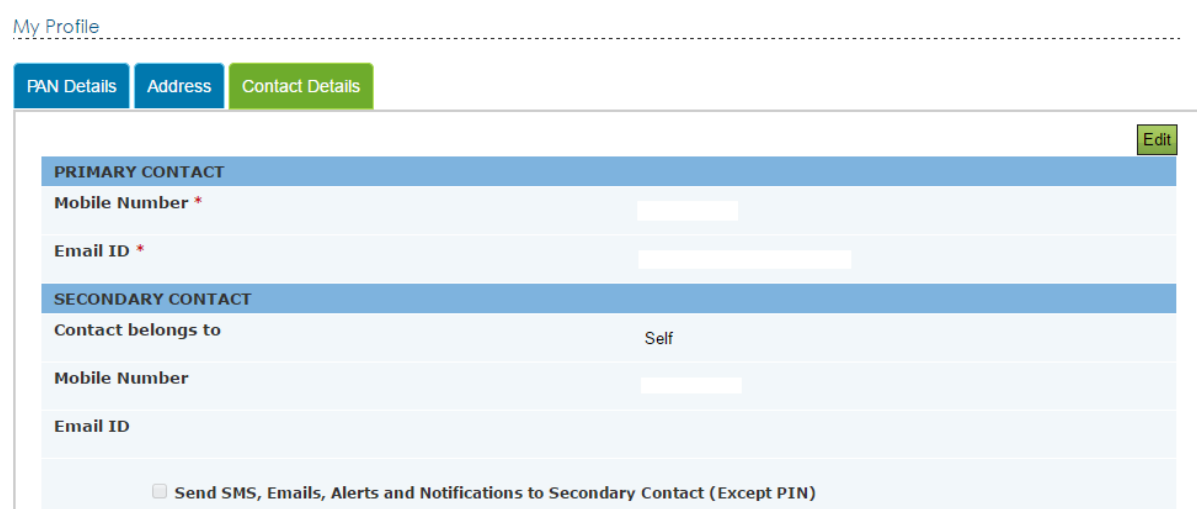

Registered taxpayers should verify and update their email address and mobile number on the e-filing portal (at <https://incometaxindiaefiling.gov.in>) to receive electronic communication.

Step 1: Login to e-filing portal at <https://incometaxindiaefiling.gov.in>.

Step 2: Click on “My Profile” link under “Profile Settings” section and you will be directed to the “My Profile” page.

Step 3: The contact details of the taxpayer will be displayed.

Step 4: The user should update their personal Mobile number and Email so that the updated contact particulars are registered with the Department and taxpayer will be able to directly receive communication from the Department about status of processing and issue of refunds etc. Upon submitting the details, Department would immediately send OTPs (PIN1 & PIN2) to new mobile number and Email ID.

Step 5: The PINs (PIN1 and PIN2) received through Mobile number and E-mail ID should be entered in the respective input fields to authenticate that the email ID and mobile are correct. Upon successful validation the Mobile number and email ID would be updated in the taxpayer’s profile and the process would be complete.

Note:

- i. One mobile number or email ID can be used for a maximum of 10 user accounts as the Primary Contact- Mobile Number and Email ID in e-Filing. This is to ensure that family members (not exceeding 10 separate users) not having personal email or mobile can be covered under a common email or mobile, but in general taxpayers should have their own unique email ID and Mobile registered with the Department.
- ii. The taxpayer can enter any other person's email or mobile number in addition as a Secondary Contact (without any restriction on the number of user accounts linked as a Secondary Contact).
- iii. The taxpayer can select to include the Secondary Contact to also receive emails, alerts etc.

Taxpayers should verify and update their email address and mobile number on the e-filing portal (at <https://incometaxindiaefiling.gov.in>) to receive electronic communication.

Taxpayer should include the emails and SMS from the Income tax Department in the 'safe list' or 'white list' to prevent the communications from the Department from being blocked or rejected or sent to Spam folder.

4. Viewing information

The information relating to cash deposits will be displayed to the PAN holder in the e-filing portal (after log in). The taxpayer can view the information as under:

Step 1: Login to e-filing portal at <https://incometaxindiaefiling.gov.in>.
